

# ♥ Welcome to Kindergarten

We would like to take this opportunity to welcome your child to Kindergarten at Delta Elementary School. We look forward to having your child in school and to an exciting year ahead! All students need to be screened prior to attending kindergarten. Screening will take place at the beginning of the school year.

The first two weeks of Kindergarten will be half days and we will transition to full days after Labor Day. We will spend time exploring the classroom, getting to know the routines, and getting to know one another.

\*Class lists will be subject to change for the first few weeks and be finalized in September.
